

INDEPENDENT AUDITOR'S REPORT

To the Members of Glass Wall Systems (India) Private Limited

Report on the Audit of the Financial Statements**Qualified Opinion**

We have audited the accompanying financial statements of Glass Wall Systems (India) Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profits and its cash flows for the year ended on that date.

Basis for Qualified Opinion

As stated in note 29 to the financial statements, basis the VAT assessment completed for certain prior years, a provision of Rs. 3,121.30 lakhs as of the balance sheet date, is required in respect of other years where assessments are not concluded. No provision is recognized by the company in this regard on the basis that such amounts can be recovered from the customers, which we are unable to ascertain. Had the company recognized a provision in respect of the said liability, 'Other Expenses' and 'Provision for Litigation' would have increased by Rs. 3,121.30 lakhs and tax expense and net profit would have reduced by Rs. Nil and Rs. 3,121.30 lakhs respectively, for the year ended March 31, 2023 and shareholders' funds would have reduced by Rs. 3,121.30 lakhs as of the balance sheet date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Re: Glass Wall Systems (India) Private Limited ("the Company")

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments.
- (a) (B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given by the management and audit procedures performed by us, the title deeds of immovable properties included in property, plant and equipment / fixed assets and investment property are held in the name of the company except for one immovable property having gross block of Rs. 16.39 Lakhs (net block Rs. 4.90 Lakhs) as at March 31, 2023 for which the title deeds are not in the name of the Company as stated in note 12 of the financial statement. As explained to us the transfer of title is in progress in respect of such immovable property as at March 31, 2023.
- (d) The Company has not revalued its Property, Plant and Equipments or intangible assets during the year ended March 31, 2023.
- (e) As represented to us by the Company, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year except for inventories lying with third parties. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Inventories lying with third parties have been confirmed by them as at March 31, 2023 and no material discrepancies were noticed in respect of such confirmations. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed in such physical verification.
- (b) As disclosed in note 7 to the financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the financial statements, the quarterly returns/statements filed by the Company with such banks and financial institutions are not in agreement with the audited books of accounts of the Company and the details are as follows :

Annexure 2 to the Independent Auditor's Report of even date on the financial Statements of Glass Wall Systems (India) Private Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Glass Wall Systems (India) Private Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the financial statements for the year ended 31 March 2023

1 Corporate Information

Glass Wall Systems (India) Private Limited, a Company registered under Companies Act, 1956, is a leading façade engineering company in India engaged in providing complete solutions in architectural façade and glass wall curtains. The Registered office of the Company is situated at 503-504, 5th floor, A-Wing, Marathon Futurex, Mafatlal Mills Compound, N.M. Joshi Marg, Lower Parel (East) Mumbai 400013, Maharashtra, having CIN Number U74999MH2010PTC207187 and having manufacturing unit at Vilebhagad.

The financial statements for the year ended 31 March 2023 are approved by the Board of Directors and authorised for issue on 7 August, 2023.

2 Significant Accounting Policies

a) Basis of Preparation

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read together with the Companies (Accounting Standards) Rules, 2021 and presentation requirements of Division I of Schedule III to the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Revenue Recognition

Revenue is recognized on the basis of percentage completion method. The percentage of completion is determined by comparing the costs incurred to date with the total costs estimated to be incurred on the contract. The total costs likely to be incurred on a contract are as estimated by the management. Projects which are completed less than 10% of the total estimated project cost, revenue is recognised to the extent of actual cost incurred.

Provisions for entire foreseeable losses, if any, on contracts are made irrespective of the percentage of work completed.

Contract revenue earned in excess of billing has been reflected as "Unbilled Revenue" under "Other current assets" and billing in excess of contract revenue has been reflected as "Billing in Excess of Contract Revenue" under "Other current liabilities" in the balance sheet.

Revenue from services is recognised pro rata over the period of the contract as and when services are rendered.

Export incentive:

Export incentive are accounted in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividends:

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

d) Property, Plant & Equipment

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and directly attributable cost of bringing the asset to its location and working condition for its intended use.

e) Depreciation

Depreciation on Property, Plant & Equipment except building is calculated on a written down value basis using the rates arrived at based on the useful lives estimated by the management. For Building depreciation is calculated on straight line basis using the rates arrived at based on the useful lives estimated by the management.

The Company has used the following rates to provide depreciation on its Property, Plant & Equipment.

Assets	Useful lives estimated by the management (years)
Buildings	60
Factory Buildings	10 to 30
Plant & Equipments	5 to 15
Furniture & Fixtures	3 to 10
Electrical Fittings	10
Office Equipments - Computers	3
Office Equipments - Others	3 to 5
Vehicles	8 to 10

Based on technical estimates, the useful lives of certain Plant & Equipments and Furniture & Fixtures are lower than those indicated in Schedule II to Companies Act, 2013

Notes to the financial statements for the year ended 31 March 2023

Assets	Useful lives estimated by the management (years)
Plant & Equipments	5 and 10
Furniture & Fixtures	3 and 5
Leasehold land is amortized on a straight line basis over the period of lease i.e. 90 to 95 years	

f) Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortisation and impairment losses, if any. Intangible assets are amortised over estimated useful life using straight-line method.

g) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assumptions of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

h) Inventories

Raw materials and Work-in-progress are valued at lower of cost and net realizable value. Cost is determined using weighted average cost basis. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

Investment in property

An investment in land or buildings, which is not intended to be occupied substantially for use by, or in the operations of, the company, is classified as investment property. Investment properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the investment property to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation on building component of investment property is calculated on a straight-line basis using the rate arrived at based on the useful life estimated by the management. The company based on technical assessment from the professionals and management estimate depreciates the investment property over the estimated useful life of 60 years.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

j) Foreign Exchange Translations

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign current amount, the exchange rate between the reporting currency and foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Notes to the financial statements for the year ended 31 March 2023

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially reported during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

k) Leases

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risk and benefits of ownership of the leased items are classified as operating leases. Lease payments under an operating lease, are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

Where the Company is the lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term.

l) Borrowing costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

m) Employee benefits

(i) Defined Contribution Plans

Retirement benefit in the form of provident fund and employee state insurance scheme are considered as defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective fund.

(ii) Defined Benefit Plan

The Company operates defined benefit plan for its employees, viz, Gratuity. The Company's liability towards these benefits is determined on the basis of actuarial valuation using the projected unit credit method as at the balance sheet date. Actuarial gains/losses are recognized in the Statement of Profit and Loss in the year in which they occur

(iii) Compensated absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated as on the reporting date. The Company presents the entire compensated absences as a short term provisions, since employee has an unconditional right to avail the leave at any time during the year.

n) Taxations

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act-1961 (as amended) enacted in India

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and the reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet reporting date. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such Deferred Tax Assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable rights exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority

Notes to the financial statements for the year ended 31 March 2023

o) Earnings Per Share

Basic Earnings Per Share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand with an original maturity of three months or less.

q) Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Note:

During the current year, the Company has incurred taxable loss of ₹ 71.79 Lakhs (31 March 2022: ₹ 6104.43 Lakhs) and has carried forward loss of ₹ 8925.52 Lakhs (31 March 2022: ₹ 3032.28 Lakhs) [Unabsorbed Business Loss of ₹ 8146.67 Lakhs (31 March 2022: ₹ 2624.42 Lakhs) and Unabsorbed Depreciation of ₹ 778.85 Lakhs (31 March 2022: ₹ 405.96 Lakhs)].

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

In relation to the balance as at April 1 2022, the management basis assessment of virtual certainty and underlying assumptions, believe that the Company will be able to utilize the DTA balance against future forecasted profits. Thus, no provision is considered by the Company in relation to such DTA balances.

Above amounts also include interest and penalty as mentioned in respective year wise demand orders.

Note:

The Joint Commissioner (Appeals) adjudicated the Maharashtra VAT assessment for the financial years 2005-06 to 2017-18 against which the Company has filed appeals with the Tribunal. As a result of the status of these assessment orders, it is possible that the Company may incur a liability of ₹ 3,121.30 Lakhs for the financial years 2005-06 to 2017-18. The VAT assessments for financial years 2005-06 to 2017-18 are pending at various stages of appeal. In the event the said amount is payable by the Company, management believes, it has ability to recover similar amounts from the respective customers, since such amounts relates to sales made to those customers. Accordingly in management's view, as these amounts are payable and recoverable, they are not recognized in these financial statements. As these matters are pending before appellate authorities, these are disclosed as contingent liability given the uncertainties involved.
